RE: Second Staff Draft Delta Plan

Chair Isenberg and Members of the Delta Stewardship Council:

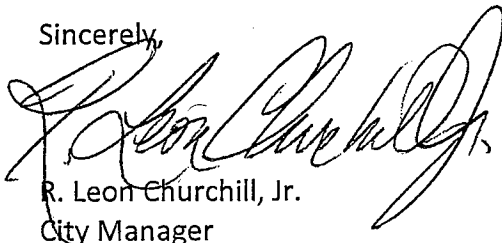

The City of Tracy recently became aware that a Delta Plan Workshop is scheduled for April 14, 2011 and April 15, 2011 and that the Second Staff Draft Delta Plan will be discussed at the Workshop.

As you know, under the Delta Protection Act of 2009, in developing the Delta Plan, the Delta Stewardship Council ("Council") is required to consult with local agencies with responsibilities in the Delta, such as the City of Tracy. Unfortunately, no such consultation has occurred. The City has not received any formal notice of the upcoming or previous Council meetings nor has the City received formal notice of any of the Draft Delta Plans.

As such, the City has not been provided sufficient notice to conduct a comprehensive review of the Second Staff Draft Delta Plan. Therefore, the City is not prepared to offer substantive comments at the Workshop. However, because the Delta Plan will likely significantly impact the City, the City will be submitting comments in the future.

The City looks forward to working with the Council in developing the Delta Plan and being a part of this important process.

Sincerely,

R. Leon Churchill, Jr.
City Manager
